

2019 WILLAMETTE VALLEY PINOT NOIR

AVERÆN was born out of our love for cool climate Pinot Noir. Oregon's Willamette Valley offers an ideal growing climate, where strong winds blow from the nearby Pacific Ocean, and the mix of ancient volcanic soils and marine sediments from a prehistoric ocean floor lend intense minerality and complexity to the Pinot Noir grapes grown on them. Simple sustainable farming, hands-off winemaking and a passion for Pinot Noir dictate our mission.

Our vineyards span the Willamette's sub-AVAs, enabling us to create a wine that is a true representation of the Valley as a whole – playing off each site's specific personality and complementary nature to create a harmonious blend.

TASTING NOTES

Textbook Willamette Valley Pinot Noir with juicy, fresh fruit and berry flavors - think dark cherry, cranberry, blackberry, more cherry. Black tea, anise, blood orange and vanilla accents abound adding complexity. The texture is ripe and plush with a line of acid running through to keep the wine vibrant. The wine is all about focus, electricity, and verve.
