

LARMANDIER-BERNIER

LATITUDE NV

CHAMPAGNE LARMANDIER-BERNIER || One of the true gems in Champagne, Larmandier-Bernier is a small grower estate with fifteen biodynamically farmed hectares in Grand Cru & Premier Cru villages of the Côte des Blancs. Both the Larmandier and Bernier families have had a long history in the Champagne region, dating back to the French revolution, but it was not until the marriage of Philippe Larmandier and Elisabeth Bernier in 1971 that Champagne Larmandier-Bernier was officially established. The small house today is directed by Pierre and Sophie Larmandier, who took over the direction of the family estate in 1988.

CHAMPAGNE - CÔTE DES BLANCS || The Côte des Blancs lies south of Epernay and is the source for many top cuvée & vintage Champagnes for houses of all sizes. The vineyards are mostly situated on east facing slopes and 95% of the vines are the Chardonnay varietal (hence, the Côte des Blancs name). The soils in the area are typically a thin layer of top soil, beneath which lies the chalk that gives these wines their unique expression of minerality and terroir. Wines from this region are generally praised for their delicacy, freshness, and elegance.

“Bright straw. Elegant, high-pitched aromas of Meyer lemon, quince and white flowers. Vibrant, mineral-laced citrus and orchard fruit flavors shows excellent clarity and lift, picking up notes of anise and honey with air. Finishes taut and focused, with repeating mineral and floral notes. This graceful Champagne would be fantastic with simply prepared crab or shrimp dishes.”
