"A wonderful peachy bouquet that blossoms in the glass with hints of dried apricot and honeysuckle. The palate is very well-balanced with crisp acidity and a fine thread of bitter lemon that lends tension and poise, leading to a very champagnois finish. Excellent!"

"An intriguing bouquet that is slightly reduced at first, but left aside for a few moments opens up to reveal touches of white asparagus and dried herbs. The palate is nicely balanced with subtle citrus notes complemented by dried apricot and a touch of quince. It leads to a precise finish that could do with more length, but it is still an interesting Cava, one that is full of personality."
