MILOU

ROUGE 2016

MILOU || While traversing along the Mediterranean Sea, through the bucolic communes in the south of France, the Valkyrie team happened upon a few wines that exemplified our vision. These are wines to be enjoyed on any occasion - as a perfect complement to an array of foods, moods and company. Simple, straightforward and fun, Milou is the ultimate crowd pleaser.

VIN DE PAYS D'OC || Viticulture in the Languedoc wines can be traced to the fifth century BC, when the early Greeks planted vineyards along the coast near Narbonne. The Vin de Pays d'Oc wine region stretches from the Mediterranean coast to the Cévenole hills and the Rhône Delta to the Pyrénées and shares many terrain and climate characteristics with the neighboring regions of Southern Rhône and Provence. The Mediterranean climate and soils are conducive to growing a wide variety of high quality grapes, offering a treasure trove of value potential.
