“Dark ruby. Spice-accented cherry and dark berries on the fragrant nose, along with a hint of candied flowers. Fleshy, round and smooth in texture, offering blackberry and cherry compote flavors that slowly firm up through the midpalate. The spicy quality recurs on a long, supple finish that shows just a hint of tannins. This is quite delicious right now.”

MESTIZAJE BLANC 2019 || 90 points

“Glistening straw. Fresh pear, Meyer lemon and jasmine aromas are sharpened by a hint of white pepper. Silky and expansive on the palate, offering Anjou and lemon curd flavors that show good depth as well as energy. Finishes with very good tenacity and a building floral quality.”

MESTIZAJE TINTO 2018 || 90 points

“Opaque ruby. Dark fruit preserves, licorice and a spicy topnote on the nose. Shows very good depth as well as energy to cherry, cassis and bitter chocolate flavors. Turns sweeter on the long, gently chewy finish, which is framed by slowly building tannins.”

FINCA TERRERAZO 2016 || 93 points

“Inky ruby. A deeply perfumed bouquet evokes ripe red and dark berries, incense and violet, and a hint of smoky minerality emerges with air. Sweet and broad on the palate, offering juicy black raspberry, cherry cola and spicecake flavors that put on weight as the wine opens out. The dark fruit qualities drive an impressively long, juicy finish that features supple tannins and lingering florality.”
