

## BODEGAS MUSTIGUILLO

### FINCA TERRERAZO 2014

**MUSTIGUILLO** || Consider this a reintroduction to Bobal, and its champion, Toni Sarrion. In the late 1990's, Toni began a one man crusade to save this indigenous variety and coax it from obscurity and rusticity to the forefront of truly world class wines. Ever evolving and pushing the quality level forward, Mustiguillo has moved away from the use of overt American oak as seen in previous vintages in favor of concrete and French oak for wines of finesse & balance, realizing the potential of Bobal from the unique terroir of El Terrerazo. Mustiguillo was recognized for their extraordinary efforts by Wine & Spirits as one of the Top 100 Wineries of 2012.

**EL TERRERAZO** || One of only fourteen Vino de Pagos in Spain, El Terrerazo was granted DOP status in 2010. At an altitude of 800-824 meters, the estate is comprised of 89 hectares of contiguous vineyards on primarily limestone soils. The climate is Mediterranean with a strong continental influence with drastic diurnal shifts in temperature and contrasting winds from the sea to the east and hot La Mancha to the west.

### FINCA TERRERAZO 2014 ||

**BLEND** | 100% Bobal

**VINEYARDS** | Toni Sarrion champions the variety Bobal, working on clonal selections and strict vineyard management for smaller and looser clusters. Finca Terrerazo is from two plots planted in 1945 and 1970 on dolomite limestone soil with chalky sand at 800 m.

**WINEMAKING** | The plots are vinified separately with indigenous yeasts and undergo malolactic in 225L French oak with batonnage. The final blend spends 21 months in French oak.

**ALCOHOL** | 14.5%

**BAR CODE** | 8437006252102

### TASTING NOTES |

Deep black cherry color with aromas of blackberries, cassis, violets and spice. This medium to full-bodied wines has well intergrated tannins that provide a stong structure for the deep black and blue fruit flavors which dance with spice and smoke.
