

ROCA ALTXERRI

TXAKOLI ROSE 2016

CAMINO || A path, a road, a way - a regional range of wines from Valkyrie Selections that follow these following principles: Autochthonous/native varieties, established/high quality vineyards, pure expression of varietal character/region, pragmatic winemaking. Roca Altxerri is named for the Altxerri Cave, located in Basque country, which is home to the oldest stone paintings in Europe, dating back almost 40,000 years. After searching long and hard, we found Bodegas Zudugarai to partner with. Their two hectares are planted on seaside hills facing the sun to keep the vines dry and are hand harvested.

GETARIAKO TXAKOLINA || Located around the small fishing towns of Getaria and Zarautz, on the coast of the Bay of Biscay in Northern Spain, the Getariako Txakolina DO was established in 1990, but the history of vine growing is a long one dating back to the Middle Ages. The pergola trained vines here are quite old (many 80+ years) with the roots reaching 10 meters below the surface. The area was not affected by Phylloxera due to the high rainfall which allowed water accumulation around roots, protecting them from the outbreak.
