LZ 2019 || 94 points

“Very pretty and aromatic with plum and orange peel with floral undertones. Medium to full body, with very fine tannins and a beautiful, fine-grained finish. Drinkable now, but a year or two will real show it off. From organically grown grapes.”

“This is so beautifully balanced with bright fruit, creamy and crunchy acidity and delicate tannins. Full and compressed with very polished tannins that go on for minutes. From organically grown grapes. Drink or hold.”

EL VELADO 2018 || 98 points

“A red with stones, fresh berries and cherries and some orange-peel undertones. Hints of spice, too. Medium-bodied with fine tannins, So long and polished. Very classic-textured palate. Wonderful complexity. From organically grown grapes. So drinkable now, but even better in 2024.”

LA ESTRADA 2018 || 96 points

“A very linear, tight red with black licorice, graphite, dark berries and blue fruit. Medium to full body. Fine, racy tannins. Goes on for minutes. Classy. From organically grown grapes. Better after 2024.”

TABURNIGA 2018 || 98 points

“This shows a solid core of fruit with such purity, offering blackberries, black cherries and dark chocolate (subtle). Full-bodied, but really refined and tight with precision and length. Incredibly deep and long. Energetic. Mostly tempranillo. From organically grown grapes. Needs at least five years to open.”

LAS BEATAS 2018 || 100 points

“This is incredible on the nose with fresh flowers, spices, pure dark fruit and hints of stones. Full-bodied and so refined and polished with such intensity and length. Just goes on and on ... forever. A magical wine. From organically grown grapes. Please leave it for five or six years, if you can.”
