

VINA COTERRO

RIOJA CRIANZA 2013

VINA COTERRO || The vineyards for Vina Coterro are spread across the municipality of Alfaro in La Rioja on the fertile banks of the Ebro on the low slopes of the Yerga Mountain. This area offers a huge diversity of soil and microclimates, supporting a wide range of different grape varieties. Winemaking and blending are done by Fernando Mora of The Garage Wine project.

RIOJA || Rioja was the first Spanish wine region to obtain DO status, in 1925. In 1991, it was promoted to DOCa (Qualified Designation of Origin), a higher category reserved for wines maintaining a proven consistency and quality over a long period of time. Rioja has three distinct subregions (Alavesa, Alta & Baja) as well as stylistic diversity ranging from the traditional oxidative wines to the full throttle modern style.

“Dark ruby. Oak-accented red berry liqueur and cherry aromas pick up smoke, tobacco and vanilla elements with aeration. Pliant and appealingly sweet on the palate, offering bitter cherry, raspberry and coconut flavors sharpened by a jolt of cracked pepper. Closes smooth, broad and very long, with an echo of vanilla and velvety, deftly integrated tannins.” - Josh Reynolds
