

# ALMA DE CASA

## **“THE SOUL OF THE HOUSE”**

**From the rugged, hilly  
“spaghetti western”  
landscape of Yecla in  
Southeast Spain where the  
Spanish Meseta meet the  
Mediterranean plains.**

**Deep cherry red color with  
intense aromas of ripe fruit,  
typical of the Monastrell  
grape. Perfectly  
well-balanced and smooth,  
fruity and with a long finish.**
