2024 WILLAMETTE VALLEY PINOT NOIR

93 points · James Suckling

"A pleasurable mix of candied cherry fruit and pastry with hints of thyme and rosemary. Medium-bodied and plush, showing flavors of marionberries and black cherries. A good-value wine."

"Averaen offers a perfume-like aroma mix of blackcap raspberries, orange peel and wet Kentucky bluegrass. Tangy marionberries take over after that, joined by fellow flavors of clove and black tea. There is plenty of acidity here, but the highlight for me was the wine's silky texture, which conjured memories of the suits worn by David Bowie during his Thin White Duke Era."

"The 2024 Pinot Noir mixes crushed blackberries with nuances of dill and crushed navel orange on the nose. It is soft-textured, with ripe red and blue fruits that flow across a stream of juicy acidity on the palate. Violet inner florals mix with a dark chocolate twang as it tapers off long, with cheek-pinching tension."
