FUNAMBUL BRUT NATURE ROSAT

ENTRE VINYES || An organic project from Maria Barrena, one of the partners at Azul y Garanza and her husband, Josep, a third generation grower in the Penedès. The family vineyards were planted about 60 years ago in the Baix Penedès area, close to the Mediterranean sea and adjacent or inside the national park. There are 25 hectares of vineyards of Xarel·lo, Macabeu, Parellada and Chardonnay planted between 300 and 350 meters altitude. The old vines are surrounded by rich biodiversity, encouraging natural balance to be found in both the vineyards and the wine.

PENEDÈS || The Penedès has long been associated with innovative vineyards and wineries. In the 1970s, it became the first area in Spain to use stainless steel equipment and cold-fermentation. Since then, Penedès producers have been making excellent modern wines blending native with French varieties. There are three sub-regions of the DO: Baix Penedès on the coast, Mitja- Penedès, with rolling countryside and good southeastern exposure to the sun (the majority of the DO's production is here), and the Alt-Penedès which rises to 800 meters on the fringes of the central meseta.

FUNAMBUL BRUT NATURE ROSAT 2021 ||

BLEND | 80% Garnatxa & 20% Trepat

VINEYARDS | Certified organic vineyards (La Plana & La Costeta in the village of L'arboç) at 450 meters altitude. Vineyards were planted in 1940 and 1973 (50-80 years old) on calcerous, limestone soils.

WINEMAKING | Made in the traditional method. Hand harvested in small 10kg boxes. Fermented for 20 days at 16°C and given a long second fermentation at low temperature and in silence on the racks. Clarified in the bottle manually. Aging on the lees for 24 months before disgorgement.

ALCOHOL | 11.5%

DOSAGE | Brut Nature - no dosage

TASTING NOTES | A pale and zesty rose, with lots of red summer fruits and crisp, lively bubbles. Strawberry, raspberry, and red currant fruit flavors with a savory note that adds complexity and keeps this one dry and so fresh and so clean (clean).
