MÁS QUE VINOS

GARNACHA DE LA MADRE 2018

MÁS QUE VINOS || Más Que Vinos was founded in La Rioja in 1998 when three friends - Margarita Madrigal, Alexandra Schmedes and Gonzalo Rodriguez met. Three winemakers, each one with extense winemaking experience. Seeing the great potential of the vineyards in Gonzalo's hometown of Dosbarrios (outside Toledo), they launched their personal winery project rescuing old plots of indigenous grape varieties and moving to all organic viticulture. They renovated the old family winery (from 1851) and in 2007 constructed a new modern winery in nearby Cabañas de Yepes.

TOLEDO || The area of the villages Dosbarrios and Cabañas de Yepes is called the Meseta de Ocaña and is located 60 kilometers east of Toledo. The climate is continental with very cold, dry winters and hot summers. Due to the high altitude (750 meters) the warm summer days are accompanied by cool nights - ideal conditions for perfect ripening. The main varieties are Cencibel (Tempranillo), Garnacha and Airén. Más Que Vinos owns the 35 hectare Finca Horcajo and farms another 35 hectares in Dosbarrios, Cabañas de Yepes and Villarrubia.

GARNACHA DE LA MADRE 2018 ||

BLEND | 100% Garnacha Tintorera

VINEYARDS | La Madre is a certified organic vineyard on the El Horcajo estate which has a colder microclimate for slow maturation of the grapes. The vineyard was planted with old vine material and the massale selection is quite distinctive with amazing freshness.

WINEMAKING | Spontaneous fermentation in amphora followed by 12 months agin in amphora.

“I was really surprised by the floral and elegant nose of the 2018 La Garnacha de la Madre to the point that I thought maybe I was mistaken and that the wine was produced with Garnacha rather than Garnacha Tintorera grapes! The vines are in a cooler place, and they ripen slowly and are picked late with fully developed aromas and flavors but, curiously enough, not with a very dark color. It talks about a short maceration and an *élevage* in concrete for 12 months, which has respected the primary character of the wine while it's also polished and complex. The finest vintage for this wine so far. Only 3,000 bottles. It was bottled in June 2020.” - LG
