## JAMES SUCKLING REVIEWS – DECEMBER 2025

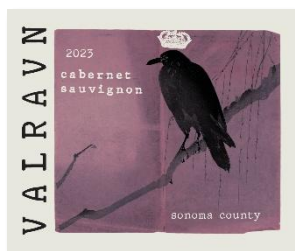

### 2024 PINOT NOIR • 94 POINTS

“A clean, balanced, complex wine. Floral and red-fruited on the nose, with layers of chalkiness and juiciness on the palate. Crunchy and snappy yet structured, with some herbal and mineral nuances, this wine is a good value. Light- to medium-bodied. Drink or hold.”

### 2024 CHARDONNAY • 91 POINTS

“A fresh and generous wine with pleasing aromas of citrus, golden apples and hints of salted caramel and sweet baking spices. Richness on the palate is balanced by textural acidity. Light- to medium-bodied with a clean, bright finish. A good value. Drink now.”

### 2023 CABERNET SAUVIGNON • 93 POINTS

“Classic cabernet aromas of graphite, violets and purple fruit are pleasing in this good-value wine. The palate is plush and balanced, with richness, opulence and sweet, ripe fruit but with the tannins and acid structure to balance it. The finish is clean. Medium- to full-bodied. Drink or hold.”

### 2023 ZINFANDEL • 93 POINTS

“Pleasurable and delicious, this wine shows the fresh, pretty, medium-bodied side of zinfandel. Wild strawberry jam and juicy bright cherry flavors complement sweet, ripe tannins and abundant acidity. Easygoing, fun to drink and a good value. Drink now.”
